

Tango Apilado Cincinnati
presents workshops with

Alicia Pons

Argentine Tango Apilado style

February 3-5, 2006

Feldenkrais Center
2124 Hamilton Avenue
Cincinnati, OH 45223

Put style, elegance and passion into your tango!

Alicia is well known for her elegant footwork and her ability to add an expressive, active voice to the women's role in the dance. Alicia teaches that the dance is a conversation between the partners and her methods are grounded in a solid academic background, ballet training and years of dancing the milongas of Buenos Aires. The classes will focus on expression and musicality taught in Alicia's uniquely warm and humorous style. Partners are suggested, but not necessary.
